

Breastfeeding Room

We now have two rooms available; the same room you have been using as well as a second room to the left of it.

- Both rooms will have an electric breast pump available for use.
- Please sign out keys as usual.
- New locks and keys have been made. Pink and yellow sets correspond to the two rooms. Each set has two keys, one for the hall door to the clinic (red or yellow border on key) and the second key for the breastfeeding room.
- Please make sure you lock both doors when you are done.
- We are still in the process of renovating. Sorry for the delay and inconveniences.
- PLEASE, IF THERE ARE ANY PROBLEMS, WE NEED TO KNOW SO THAT IT CAN BE CORRECTED. Please contact Judy Harris 86122 at WIC!
